

## Scope of Work for the field coordinator in Kfarmas'houn village under the (Improving Solid Waste Management and Reducing Organic Waste) project

**PROJECT FUNDED BY:** USAID BALADI CAP

**POSITION:** FIELD COORDINATOR

**JOB LOCATION:** Kfarmas'houn village / Maasser el Chouf (Shouf Biosphere Reserve park house)

**ROLE DESCRIPTION:**

The scope of work sets for the terms and understanding between Al-Shouf Cedar Society (ACS) and the field coordinator in Kfarmas'houn village to perform the set of activities within this project

**KEY RESPONSIBILITIES:**

- Assistance in holding one Kick-Off meeting in Kfarmas'houn.
- Support in creating a database for stakeholders and land use in Kfarmas'houn (central authorities, local authorities, restaurants, NGOs, schools, hotels, snacks...)
- Supporting the Inception Meetings/Workshops or Town Hall meetings in Kfarmas'houn.
- Produce training, educational and communicational materials.
- Assistance in forming one advisory committee in Kfarmas'houn of 10-12 members
- Helping in launching 3 rounds of waste sampling in Kfarmas'houn, at the beginning, middle and end of the project to categorize waste.
- Assistance in conducting Training of Trainers (ToT): Two types: 2-day training for Advisory Committee, NGOs, and Municipality staff; and 1-day training in Kfarmas'houn.
- Following up with training on Backyard Composting for both residential and public spaces.
- Following up with trainings on the introduction of the "doggy bag" concept.
- Support in Conducting an Awareness Campaign (two phases) for residents on harmful effects of current solid waste management practices and importance of sorting organic fraction at source.
- Prepare a documentary about the project along with a TVC.
- Produce a guide for solid waste reduction criteria
- Help in the organization of three closing events in Kfarmas'houn
- Support the implementation of two pilot backyard composting units in Kfarmas'houn
- Support all visibility actions
- Able to collect data and to monthly report to ACS
- Full time dedication to the job
- Support in monitoring and evaluation data collection of the grant in Kfarmas'houn

**REQUIREMENTS FOR POSITION:**

- Fluent in Arabic and English (Oral and written)
- Computer literacy, including knowledge of Microsoft Office applications, basic software applications and familiarity with the internet and email communications
- Fundamentals of work organization, scheduling, process development and data/quality control
- Active and enthusiastic
- Has good communication skills
- Should be citizen and resident in Kfarmas'houn
- Key person in his/her village

**EDUCATIONAL QUALIFICATIONS/ EXPERIENCE:**

- Bachelor Degree
- Two year of professional experience in similar field

This scope of work sets for the terms and understanding between Al-Shouf Cedar Society (ACS) and the field coordinator in Kfarmas'houn village to perform the set of activities within this project.
